Each single 500mm EasyDuct comes complete with 2 clips which rotate to connect laterally to the next EasyDuct

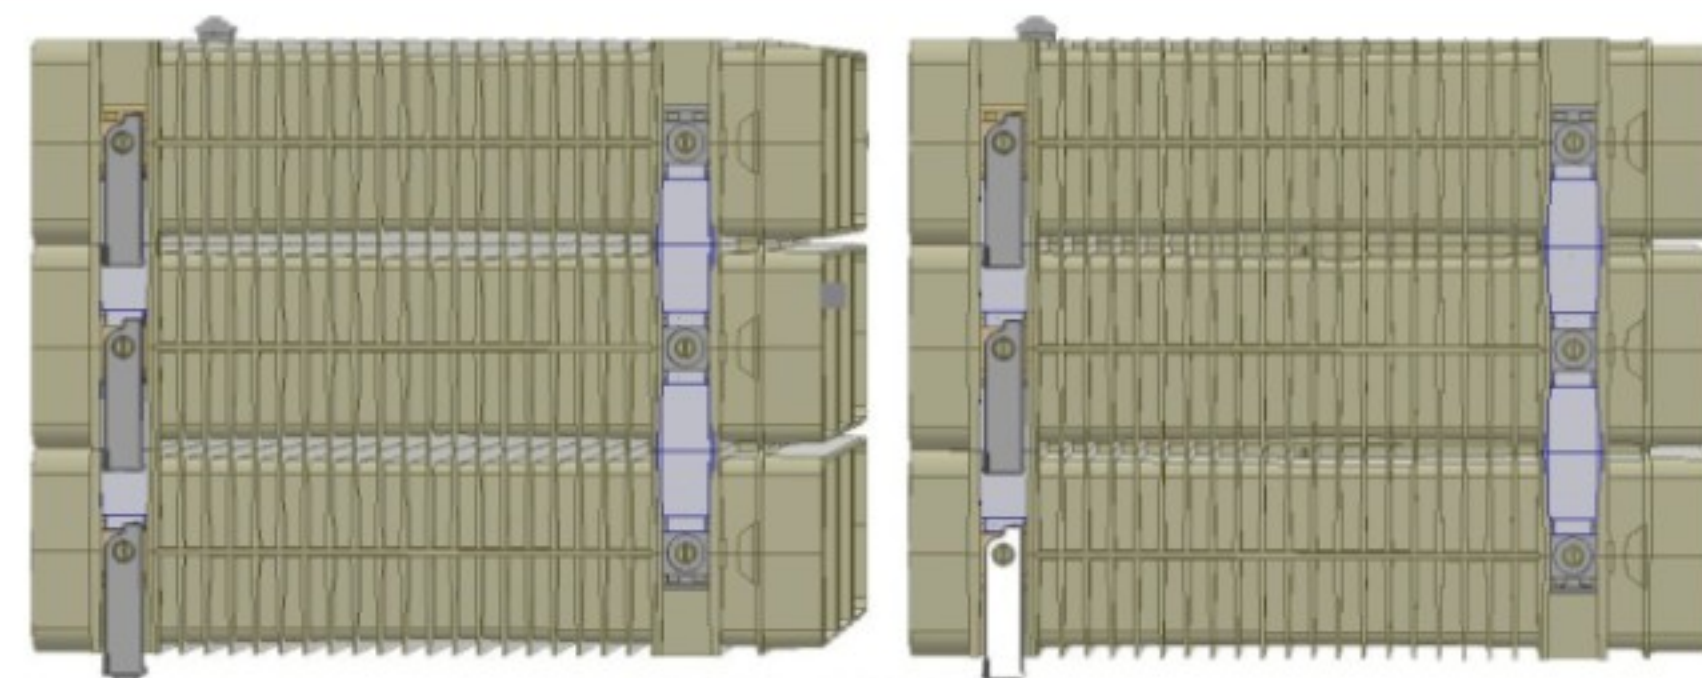

4 vertical connectors attach the EasyDuct to the one above/below

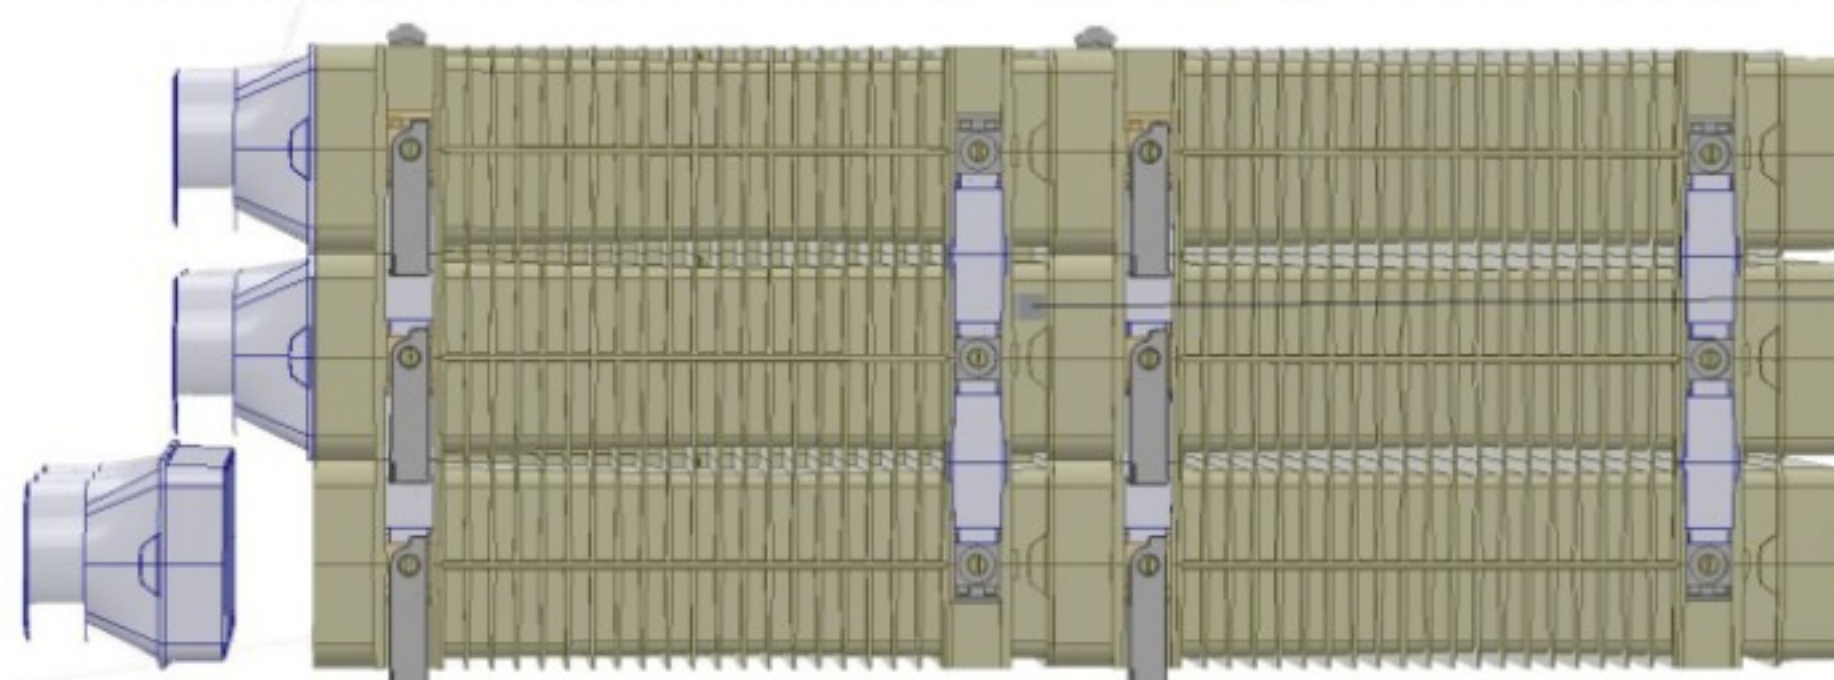

The EasyDucts can be stacked as high as required

**110mm Pipe Adaptor
(the 110mm ends have knockouts)**

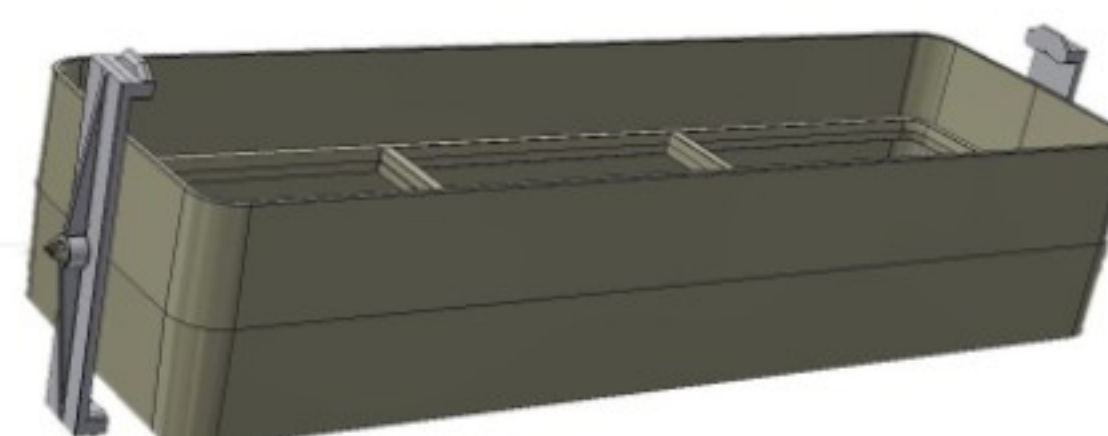

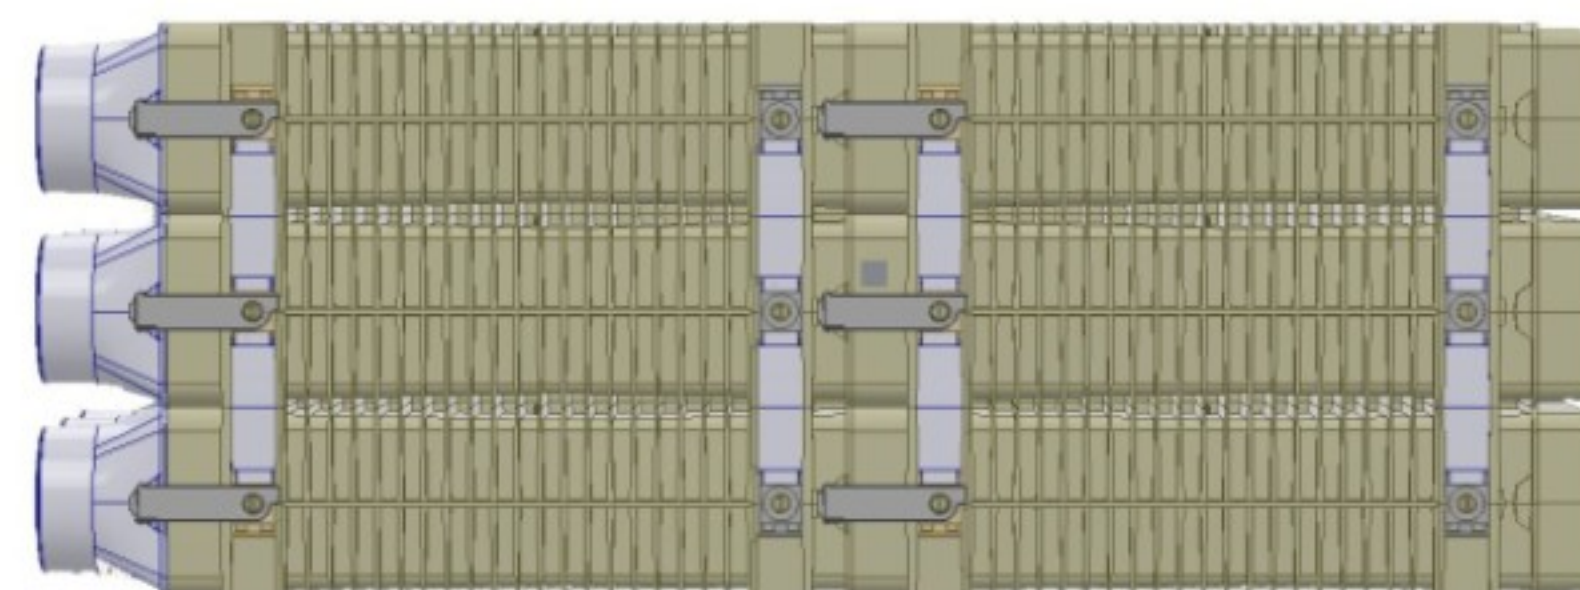

**Position the next stack of EasyDucts adjacent to the assembly end and slide into position
Then rotate the clips to lock into place**

To fit the 3x110mm pipe Adaptor to a female end of the EasyDuct, push in and then secure by rotating the 2 clips to horizontal

To fit to a male end, first fit the female-female adaptor and secure this in position by rotating the 2 clips to horizontal

Female-female connector
