

SupaStack Gully Risers

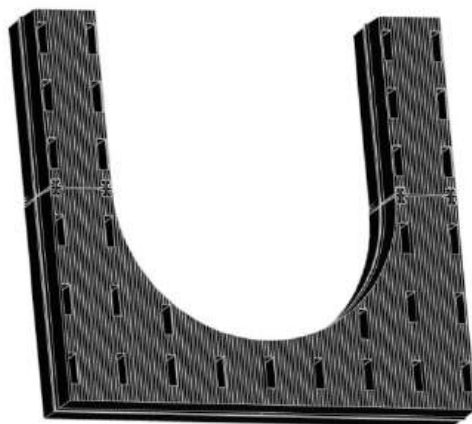

- * Virtually no breakages - saving money & reducing disposal costs
- * No mechanical lifting needed- 1 man can carry 2 gully risers
- * Fit over 60 Horseshoe Risers fit into a small transit van
- * Available in D400, E600 & F900 (tested to BS EN124)
- * Less storage required on site & at depot plus lower delivery cost
- * Flat top & base means less mortar used
- * The surface geometry of the SupaStack riser ensures the mortar holds the risers firmly in position
