150mm Riser

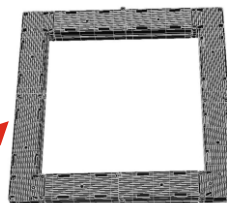

Above shows 600x600mm lid raised 215mm + mortar depth

- * Virtually no breakages - saving money & reducing disposal costs
- * No mechanical lifting needed- 1 man can carry 4 of most sizes
- * Over 100 of the 600x600x65mm Risers fit in a small transit van
- * Available in D400, E600 & F900 (tested to BS EN124)
- * Less storage required on site & at depot plus lower delivery cost
- * Risers clip together plus flat top & base means less mortar used
- * The surface geometry the SupaStack riser ensures the mortar holds the riser assembly firmly in position
- * 65 & 150mm heights give large choice of depths of riser assembly
- 65mm, 130mm, 150mm, 195mm, 215mm, 270mm, 300mm etc
